

LIVING FAITH: Chapter 3

Living Faith is a family activity that helps drive home the point from this week's chapter from The Story.

Living Faith

Instruct each family member to bring his or her favorite possession to the living room. It must be only one thing, such as a toy, golf club, stuffed animal, photo, Wii gaming system or car (of course, this would require a trip outside). Once everybody has chosen something, start with the youngest family member and have her explain why that item is her favorite. Continue around the room until each person gets to share about his possession.

After everybody is finished explain that it's natural to have a favorite thing. Some items just fit your personality and specific tastes better than others. Some things have more sentimental value and mean more to you. But when it comes to families, favoritism can cause some problems.

Ask:

- How did it make Joseph's brothers feel that Jacob "loved Joseph more than any of his other sons" (Genesis 37:3)?
- Were Joseph's brothers justified in selling him into slavery?
- Who was more at fault—Jacob or Joseph's brothers—for what happened to Joseph?
- If Jacob would've acted differently, do you think Joseph's life would've been different?
- Have you ever been in a group or team where somebody else was the favorite?
- Have you ever been treated as the favorite? How did that make you feel?

At the end, pray for God to give your family the wisdom and ability to love each other fully and unconditionally without showing favoritism.

Extra Mile

God gave Joseph wisdom to prepare for the coming famine. Through God's provision, people were saved when there was no food. Take an evening as a family to go door-to-door in your neighborhood to gather nonperishable food for a community or church food bank. Have your children explain to the neighbors exactly where the food will go and who it will benefit. Make sure to visit houses of people you don't know. Bring a wagon or shopping bags to collect food donations. After you deliver the items to the food bank, write a thank-you note to the neighbors that contributed and revisit those homes to let them know the results of your family food drive.
